FAQ

Getting started with Console Maintenance Pro

A dedicated team member will be with you every step of the way to get you up and running smoothly. They'll organise training for your entire team, ensure the system is optimised for everyone and will be there when you flip the switch.

Training

Users get access to unlimited free remote training and online resources to help them get the most out of Console Maintenance Pro.

No charge. Lots of productivity

Maintenance Pro is a part of your Console Cloud subscription so there are no additional costs to your agency. Training and onboarding are complimentary.

Huge benefits for trades

Your trades can access more work and clients on Maintenance Manager's trade network. Quotes, invoices and work orders are processed quicker so they get paid earlier.

Tenant and job details are updated in real-time, alleviating frustrations from outdated details or job changes.

Best of all, Maintenance Manager will onboard your trades and answer their questions.

Fees for your trades

There is no joining or annual fee and 100% free to quote.

There is a small service fee of AU\$5.00 per job in Australia received via Console Maintenance Pro. For jobs \$100 and under, the fee is AU\$2.50.

In New Zealand, it's a flat NZ\$3.45 per invoice.

Estimated operational cost savings of around **\$10,000 per annum** for every 100 properties under management
